PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Cayman Islands law does not limit the extent to which a company’s articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences or committing a crime. Our Articles of Association provide for indemnification of officers and directors for losses, damages, costs and expenses incurred in their capacities as such, except through their own willful neglect or default.

Pursuant to the form of indemnification agreements filed as Exhibit 10.2 to this Registration Statement, we will agree to indemnify our directors and officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or officer.

The form of Underwriting Agreement to be filed as Exhibit 1.1 to this Registration Statement will also provide for indemnification of us and our officers and directors.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

ITEM 7. RECENT SALES OF UNREGISTERED SECURITIES.

During the past three years, we have issued the following securities (including options to acquire our ordinary shares). We believe that each of the following issuances was exempt from registration under the Securities Act in reliance on Regulation S under the Securities Act or pursuant to Section 4(2) of the Securities Act regarding transactions not involving a public offering.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 6, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant under Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form F-1 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Beijing, People’s Republic of China, on August 4, 2005.

(ix) It is not necessary or desirable to ensure the legality, validity, enforceability or admissibility in evidence of this Agreement and the Deposit Agreement that any document be filed, recorded or enrolled with any governmental department, agency or other authority in the Cayman Islands;

(x) The statements in the Prospectus under “Taxation—Cayman Islands Taxation”, “Description of Share Capital” and “Enforcement of Civil Liability” are true and accurate in all material respects, and nothing has been omitted from such statements which would make them misleading in any material respect;

(xi) There are no income, corporate, capital gains, estate, inheritance, gift, withholding, stamp, issuance, or transfer taxes, imposts or duties payable under the laws of the Cayman Islands in respect of: (A) the execution or delivery of this Agreement and the Deposit Agreement or the performance by any of the parties of their respective obligations or enforcement of this Agreement and the Deposit Agreement unless they are executed in or thereafter brought within the jurisdiction of the Cayman Islands (e.g. for the purposes of enforcement) in which case stamp duty of CIS$2.00 (US$2.44) for each of this Agreement and the Deposit Agreement will be payable; or (B) the issuance and sale of the Shares by the Company of their shares pursuant to the terms of this Agreement; or (C) the deposit with the custodian on behalf of the Depositary of the Shares against the issuance of ADRs evidencing the ADSs for the account of the Underwriters at such Time of Delivery; or (D) the sale and delivery outside of the Cayman Islands by the Underwriters of the ADSs to the initial purchasers thereof;

(xii) There are no income, corporate, capital gains, estate, inheritance, gift, withholding, stamp, issuance or transfer taxes, imposts or duties payable under the laws of the Cayman Islands in respect of: (A) the execution, delivery, performance or enforcement of this Agreement and the Deposit Agreement; (B) any payment of any nature to be made by the Company under this Agreement and the Deposit Agreement; (C) the issuance and sale of the Shares by the Company; (D) the payment of dividends and other distributions declared and payable on the Shares; (E) the initial sale of the Shares and the ADSs to the Underwriters in the manner contemplated in this Agreement and the Deposit Agreement; (F) the resale and delivery of the Shares and ADSs by the Underwriters in the manner contemplated in the Prospectus; or (G) the deposit with the Depositary of shares by the Company against the issuance of ADRs evidencing ADSs;

(xiii) The Company can sue and be sued in its own name under the laws of the Cayman Islands; the choice of the laws of New York to govern this Agreement
and the Deposit Agreement will be upheld as a valid choice of law under the laws of the Cayman Islands and the courts of the Cayman Islands would uphold such choice of law in an action or proceedings on either of this Agreement or the Deposit Agreement brought in the courts of the Cayman Islands, assuming it is so pleaded; an action or proceedings against the Company in the Cayman Islands based on or arising under either of this Agreement or the Deposit Agreement could be instituted in the Grand Court, which has jurisdiction over the Company, without first having to obtain a judgment in respect of this Agreement or the Deposit Agreement in a court of New York or any other relevant jurisdiction; in the event of any action or proceedings being brought in the Cayman Islands courts in respect of a monetary obligation expressed to be payable in a currency other than Cayman Islands dollars, a Cayman Islands court would give judgment expressed as an order to pay such currency or its Cayman Islands dollar equivalent at the time of payment or enforcement of the judgment;

(xiv) The submission to the exclusive jurisdiction of any court of the State of New York or the United States District Court for the Southern District of the State of New York (each a “New York Court”), the appointment of CT Corporation System to accept as an agent for service of process in such jurisdiction and the waiver by the Company of any objection to the venue of a proceeding in a New York court, pursuant to this Agreement and the Deposit Agreement in any action or proceedings based on or arising under this Agreement and the Deposit Agreement, is legal, valid and binding on the Company assuming that the same is true under the governing law of this Agreement and the Deposit Agreement;

(xv) No approvals are currently required from any governmental department, agency or other authority in the Cayman Islands in order for the Company to pay dividends declared by the Company to the holders of Shares, including the Depositary;

(xvi) Although there is no statutory enforcement in the Cayman Islands of judgments obtained in New York, the courts of the Cayman Islands will recognize and enforce a judgment of a foreign court of competent jurisdiction in respect of any legal suit or proceeding arising out of or relating to either of this Agreement or the Deposit Agreement without retrial on the merits based on the principle that a judgment of a competent foreign court imposes upon the judgment debtor an obligation to pay the sum for which judgment has been given provided that such judgment is final and conclusive, for a liquidated sum, not in respect of taxes or a fine or penalty, is not inconsistent with a Cayman Islands judgment in respect of the same matter, and was not obtained in a manner and is not of a kind the enforcement of which is contrary to the public policy of the Cayman Islands; a Cayman Islands court may stay proceedings if concurrent proceedings are being brought elsewhere; a foreign judgment may be final and conclusive even if subject to appeal; however, if appealable, a Cayman Islands court may stay enforcement until such appeal has been heard;

(xvii) Based solely on our inspection of the Register of Writs and Other Originating process in the Grand Court of the Cayman Islands from the date of incorporation of the Company there were no actions or petitions pending against the Company in the courts of the Cayman Islands as at close of business in the Cayman Islands on [ ] 2005; a search at the Companies Registry in the Cayman Islands would not reveal any order or resolution for the winding up of the Company because under Cayman Islands law the records kept by the Registrar of
Companies are not documents of public record; the enquiries referred to above which we have made at the Grand Court of the Cayman Islands have revealed no record of the presentation of any winding up petition in respect of the Company;

(xviii) All dividends and other distributions declared and payable on the Shares of the Company may under the current laws and regulations of the Cayman Islands be paid to the Depositary, and where they are to be paid from the Cayman Islands are freely transferable out of the Cayman Islands; there is no exchange control legislation under Cayman Islands law and accordingly there are no exchange control regulations imposed under Cayman Islands law;

(xix) The Restructuring Agreements do not contain any terms or provisions which would: (A) contravene any of the terms or provisions of the Company’s Memorandum and Articles or any law, public rule or regulation applicable to the Company in the Cayman Islands currently in force; and (B) violate, or conflict with or necessitate the breach of any existing order or decree of any governmental authority or agency or official body within the Cayman Islands;

(xx) Under the Company’s Memorandum and Articles and Cayman Islands law, the Directors of the Company may, in their absolute discretion, decline to register any transfer of Shares; accordingly, the Company’s instruction to its registrar not to register The Bank of New York as a transferee of Shares for 180 days does not contravene any provision of applicable law or statute, rule or regulation in the Cayman Islands, provided that the Directors acted in good faith in the best interests of the Company in causing the Company to give such instruction;

(xxi) The Company is not entitled to any immunity under the laws of the Cayman Islands whether characterized as sovereign immunity or otherwise for any legal proceedings in the Cayman Islands to enforce or to collect upon this Agreement and the Deposit Agreement; the waiver by the Company to immunity is a valid and binding obligation of the Company under the laws of the Cayman Islands;

(xxii) The indemnification and contribution provisions set forth in section 8 of this Agreement and Section 5.8 of the Deposit Agreement do not contravene the public policy or laws of the Cayman Islands;

(xxiii) So far as the law of the Cayman Islands is concerned, this Agreement and the Deposit Agreement are each in proper form under the laws of the Cayman Islands for the enforcement thereof against the Company, subject in so far as such enforcement may be limited by bankruptcy, insolvency, liquidation, reorganization, readjustment of debts or moratorium or other laws of general application relating to or affecting the rights of creditors or by general principles of equity;

(xxiv) We have reviewed the register of members of the Company; as of such Time of Delivery, there are no entries or notations indicating any third-party interests, including any security interest, on the register of members of the Company;

(xxv) The Underwriters will not be treated as resident, domiciled or carrying on or transacting business or subject to taxation in the Cayman Islands or in violation of any law thereof solely by reason of the negotiation, preparation or execution of this Agreement or the entering into of or the exercise of their rights or the performance of their obligations under this Agreement;
(xxvi) The Underwriters will not be required to be licensed, qualified or otherwise entitled to carry on business in the Cayman Islands in order to enforce their rights under, or as a consequence of the execution, delivery and performance of this Agreement;

(xxvii) The summaries of the Memorandum and Articles of Association of the Company and of relevant Cayman Islands company law contained in the Prospectus are true, accurate and complete in the context in which they appear;

(xxviii) The form of certificate used to evidence the Shares complies in all material respects with applicable statutory requirements of the Cayman Islands and the Company’s Memorandum and Articles of Association; and

(xxix) There are no restrictions under Cayman Islands law which would prevent the Company from paying dividends to shareholders in U.S. dollars or any other currency;

In giving such opinion, such counsel may state that with respect to all matters of United States federal and New York law they have relied upon the opinions of United States counsel for the Company delivered pursuant to paragraph (d) of this Section 7 and (B) with respect to all matters of PRC law they have relied upon the opinions of PRC counsel for the Company delivered pursuant to paragraph (e) of this Section 7;

(g) Maples and Calder, BVI counsel for the Company shall have furnished to you their written opinion, dated such Time of Delivery, in form and substance satisfactory to you, to the effect that:

(i) Baidu Holdings is a limited liability company duly incorporated under the British Virgin Islands International Business Companies Act, 1984 (as amended), in good standing at the Registry of Corporate Affairs and validly existing under the laws of the British Virgin Islands, and possesses the capacity to sue and be sued in its own name;

(ii) Based solely on such counsel’s inspection of the High Court Registry from the date of incorporation of Baidu Holdings there were no actions or petitions pending against Baidu Holdings in the High Court of the British Virgin Islands as at close of business in the British Virgin Islands on [ ] August 2005;

(iii) On the basis of the searches conducted by such counsel at the Registry of Corporate Affairs and at the High Court Registry, no currently valid order or resolution for the winding-up of Baidu Holdings and no current notice of appointment of a receiver over Baidu Holdings, or any of its assets, appears on the records maintained in respect of Baidu Holdings; it should however be noted that it is not a requirement that notice of appointment of a receiver be registered with the Registry of Corporate Affairs or the High Court Registry or any other public body in the British Virgin Islands; the registered agent’s certificate states that the registered agent is not aware that any liquidation, dissolution or insolvency proceedings have been commenced against Baidu Holdings or that a receiver has been appointed over Baidu Holdings or any of its assets;

(iv) The search at the Registry of Corporate Affairs by such counsel did not reveal the existence of a Register of Mortgages, Charges and Other Encumbrances. A Register of Mortgages, Charges and Other Encumbrances may, however, be maintained at Baidu Holdings’ registered office without a copy necessarily being filed at the Registry of Corporate Affairs; the registered agent’s certificate states that Baidu Holdings does not maintain a Register of Mortgages Charges and Other Encumbrances at Baidu Holdings’ Registered Office;

(v) All dividends and other distributions declared and payable on the shares of Baidu Holdings may under the current laws and regulations of the British Virgin Islands be paid to the Company, and where they are to be paid from the British Virgin Islands are freely transferable out of the British Virgin Islands; there are no exchange control legislation under British Virgin Islands law and accordingly there are no exchange control regulations imposed under British Virgin Islands law;

(vi) No authorizations, consents, approvals, licenses, validations or exemptions are required by law from any governmental authorities or agencies or other official bodies in the British Virgin Islands in connection with the issue and sale or transfer of any shares by Baidu Holdings;

(vii) There are no income, corporate, capital gains, estate, inheritance, gift, withholding, stamp, issuance or transfer taxes, imposts or duties payable under the laws of the British Virgin Islands in respect of the issuance and sale of the shares by Baidu Holdings or the payment of dividends and other distributions declared and payable on the shares owned by Baidu Holdings; and

(viii) The indemnification and contribution provisions set forth in Section 8 of this Agreement and Section 5.8 of the Deposit Agreement do not contravene the public policy or laws of the British Virgin Islands;

In giving such opinion, such counsel may state that with respect to all matters of United States federal and New York law they have relied upon the opinions of United States counsel for the Company delivered pursuant to paragraph (d) of this Section 7 and (B) with respect to all matters of PRC law they have relied upon the opinions of PRC counsel for the Company delivered pursuant to paragraph (e) of this Section 7;

(h) Emmet, Marvin & Martin, LLP, Counsel for the Depositary, shall have furnished to you their written opinion, dated such Time of Delivery, in form and substance satisfactory to you, to the effect that:

(i) The Deposit Agreement has been duly authorized, executed and delivered by the Depositary and constitutes a valid and binding agreement of the Depositary enforceable against the Depositary in accordance with its terms, except as enforcement of it may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws of general application relating to or affecting creditors’ rights and by general principles of equity;

(ii) Upon execution and delivery by the Depositary of ADRs evidencing the ADSs against the deposit of Shares in accordance with the provisions of the Deposit Agreement, the ADSs will be validly issued and will entitle the holders of the ADSs to the rights specified in those ADRs and in the Deposit Agreement; and

(iii) The legal entity for the issuance of ADRs filed a registration statement for the ADSs on Form F-6 under the Act and the staff of the Commission has informed such counsel that the Commission declared that registration statement effective and, to the best of such counsel’s knowledge after due inquiries, no stop order suspending the effectiveness of the ADS Registration Statement or any part thereof has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Act, and the ADS Registration Statement, and each amendment as of their respective effective dates, complied as to form in all material respects with the requirements of the Act and the rules and regulations thereunder;
In rendering such opinion, such counsel may state that they express no opinion as to the laws of any jurisdiction outside the United States and in rendering the opinion in subparagraph (ii) such counsel may rely upon a certificate of such Selling Shareholder in respect of matters of fact as to ownership of and liens, encumbrances, equities or claims on, the Shares and the ADSs sold by such Selling Shareholder, provided such counsel shall state that they believe that both you and they are justified in relying upon such certificate;

(i) East Associates, special PRC patent and intellectual property counsel for the Company shall have furnished to you such written opinion or opinions, dated such Time of Delivery, in form and substance satisfactory to you, to the effect that:

(i) Under PRC patent laws and regulations, including the Provisional Examination Rules on Invention Patent Relating to Business Methods (collectively, “PRC Patent Laws”), in order for a patent to be issued, the proposed technology must meet three criteria: (i) solve a technical problem, (ii) employ a technical method and (iii) achieve a technical result. A “pay-for-performance” online bidding system for priority placement of links in keyword search results (“P4P”), including the Company’s P4P platform as described in the Prospectus, is categorized as a form of technology relating to a business method under PRC Patent Laws. A P4P platform does not meet the foregoing requirements and is therefore not patentable under PRC Patent Laws. As of the date of such Time of Delivery, no patents relating to a P4P platform have issued in the PRC;

(ii) The Company possesses valid licenses in full force and effect or otherwise has the legal right to use all patents, patent rights and inventions currently employed by it, and the Company has not received any notice of infringement of or conflict with, and to the best of our knowledge after due inquiries, there is no infringement of or conflict with, asserted rights of others with respect to the Company’s patent which could reasonably be expected to result in a material adverse effect of the Company;

(iii) The technologies, products, services and processes of the Company that are material to its business, including search engine technology, P4P billing systems, P4P customer service system, link-analysis and relevance ranking technology, web crawling techniques, anti-spamming technology, word segmentation, contextual promotion technology and query-based search communities, do not infringe on any patent rights of any third parties. To the best of our knowledge after due inquiries, there is no patent-based claim or action, pending or threatened, which affects or could affect the rights of the Company with respect to any of the Company’s technologies, products, services and processes; and

(iv) No facts have come to our attention to cause us to believe that the portions of the Registration Statement and the Prospectus included therein under the captions “Risk Factors—Risks Related to Our Business—We may face intellectual property infringement claims and other related claims, particularly in light of the recent Grokster decision, that could be time-consuming and costly to defend and may result in our inability to continue providing our existing services” and “Risk Factors—Risks Related to Our Business—We may be subject to patent infringement claims with respect to our P4P platform,” to the extent that such statements contained therein relate to PRC patent laws, at the time the Registration Statement became effective contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.
(j) Commerce & Finance Law Offices, PRC counsel for the Company, shall have furnished to you their written opinion on the Company’s provision of search engine service, dated such Time of Delivery, in form and substance satisfactory to you;

(k) Latham & Watkins LLP, United States counsel for the Selling Shareholders, Commerce & Finance Law Offices, PRC counsel for the Selling Shareholders, Walkers, BVI counsel for CMT CV-BO Limited and Maples and Calder, BVI counsel for the Selling Shareholders shall each have furnished to you their written opinion on the Selling Shareholders, dated such Time of Delivery, in form and substance satisfactory to you;

(l) On the date of the Prospectus of a time prior to the execution of this Agreement, at 9:30 a.m., New York City time, on the effective date of any post-effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also at each Time of Delivery, Ernst & Young shall have furnished to you a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you, to the effect set forth in Annex III hereto;

(m) (i) Neither the Company nor any of its Subsidiaries shall have sustained since the date of the latest audited financial statements included in the Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus, and (ii) since the respective dates as of which information is given in the Prospectus there shall not have been any change in the capital stock, short-term debt or long-term debt of the Company or any of its Subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders’ equity or results of operations of the Company and its Subsidiaries, otherwise than as set forth or contemplated in the Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares and the ADSs being delivered at such Time of Delivery on the terms and in the manner contemplated in the Prospectus;

(n) A certificate of an Attorney-in-Fact on behalf of each Selling Shareholder, dated as of the First Time of Delivery, to the effect that (A) the representations and warranties in Section 1(b) hereof are true and correct with the same force and effect as though expressly made at and as of such First Time of Delivery, and (B) each Selling Shareholder has complied in all material respects with all agreements and satisfied all conditions contained herein on its part to be performed or satisfied at or prior to the First Time of Delivery;

(o) On the date of the Prospectus of a time prior to the execution of this Agreement, at 9:30 a.m., New York City time, on the effective date of any post-effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also at each Time of Delivery, the Chief Financial Officer of the Company shall have furnished to you a certificate, dated the date of delivery thereof, in form and substance satisfactory to you;

(p) Certificates in negotiable form representing all of the Shares to be sold by such Selling Shareholder hereunder will be placed in custody with the Hong Kong office of The Hongkong and Shanghai Banking Corporation Limited, as custodian for the Depositary;
(q) On or after the date hereof (i) no downgrading shall have occurred in the rating accorded the Company’s debt securities or preferred stock, if any, by any “nationally recognized statistical rating organization”, as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company’s debt securities or preferred stock;

(r) On or after the date hereof there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the Nasdaq National Market, the New York Stock Exchange or the London Stock Exchange, (ii) a suspension or material limitation in trading in the Company’s securities on the Nasdaq National Market, (iii) a general moratorium on commercial banking activities in New York, London, the PRC or the Cayman Islands declared by the relevant authorities, or a material disruption in commercial banking or securities settlement or clearance services in the United States, the United Kingdom, the PRC or the Cayman Islands, (iv) a change or development involving a prospective change in taxation affecting the Company, any of its Subsidiaries or the Shares or the ADSs or the transfer thereof, (v) the outbreak or escalation of hostilities involving the United States, the United Kingdom the PRC or the Cayman Islands or the declaration by the United States, the United Kingdom, the PRC or the Cayman Islands of a national emergency or war or (vi) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions or currency exchange rates or controls in the United States, the United Kingdom, the PRC, the Cayman Islands or elsewhere, if the effect of any such event specified in clause (v) or (vi) in the sole judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares and the ADSs being delivered at such Time of Delivery on the terms and in the manner contemplated in the Prospectus;

(s) The ADSs to be sold by the Company and the Selling Shareholders at such Time of Delivery shall have been duly included for quotation on Nasdaq;

(t) The Depositary shall have furnished or caused to be furnished to you at such Time of Delivery certificates satisfactory to you evidencing the deposit with it of the Shares being so deposited against issuance of ADRs evidencing the ADSs to be delivered by the Company and the Selling Shareholders at such Time of Delivery, and the execution, countersignature (if applicable), issuance and delivery of ADRs evidencing such ADSs pursuant to the Deposit Agreement;

(u) Each party set forth in Schedule III attached hereto shall have entered into an agreement (each a “Lock-up Agreement”) in substantially the form attached hereto as Annex I or Annex II, as the case may be;

(v) The Company shall have complied with the provisions of Section 5(a)(iii) hereof with respect to the furnishing of Prospectuses on the New York Business Day next succeeding the date of this Agreement;

(w) The Company and the Selling Shareholders shall have furnished or caused to be furnished to you at such Time of Delivery certificates of officers of the Company and of the Selling Shareholders, respectively, satisfactory to you as to the accuracy of the representations and warranties of the Company and the Selling Shareholders,
respectively, herein at and as of such Time of Delivery, as to the performance by the Company and the Selling Shareholders of all of their respective obligations hereunder to be performed at or prior to such Time of Delivery, and as to such other matters as you may reasonably request, and the Company shall have furnished or caused to be furnished certificates as to the matters set forth in subsections (a) and (m) of this Section, and as to such other matters as you may reasonably request;

(x) All of the shares of Preferred Stock have been converted into Ordinary Shares in accordance with the terms of the Preferred Stock; and

(y) The Company has entered into a side letter agreement with the Depositary instructing the Depositary not to accept any shareholder’s deposit of any Ordinary Shares in the Company’s ADR facility or issue any new ADRs evidencing the ADSs during the Lock-Up Period.

8. (a) The Company and the Covered Person, severally but not jointly, will indemnify and hold harmless each Underwriter against any losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) (collectively, “Damages”), to which such Underwriter may become subject, under the Act or otherwise, insofar as such Damages that arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, the ADS Registration Statement or the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company, the Covered Person shall not be liable in any such case to the extent that any such Damages that arise out of or are based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus, the Registration Statement, the ADS Registration Statement or the Prospectus or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein. Notwithstanding the foregoing, in no event shall the Covered Person be liable or responsible for any amount in excess of the gross proceeds applicable to the Shares sold by the Covered Person pursuant to the transactions contemplated hereby.

(b) The Company agrees to indemnify and hold harmless the Underwriters from and against any and all Damages (i) caused by any untrue statement or alleged untrue statement of a material fact contained in any material prepared by or with the consent of the Company for distribution to Participants in connection with the Directed Share Program or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) caused by the failure of any Participant to pay for and accept delivery of Directed ADSs that the Participant agreed to purchase; or (iii) related to, arising out of, or in connection with the Directed Share Program, other than the Damages that are finally judicially determined to have resulted from the bad faith or gross negligence of the Underwriters.

(c) Each of the Selling Shareholders will, severally and not jointly, indemnify and hold harmless each Underwriter against any Damages that arise out of or are based upon an untrue statement of a material fact contained in any Preliminary Prospectus as of its date, the Registration Statement as of its effective date, the ADS Registration
Statement as of its effective date or the Prospectus as of its date, or any amendment or supplement thereto, or arise out of or are based upon the omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case only to the extent that such untrue statement or omission is relating to such Selling Shareholder, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Selling Shareholders shall not be liable in any such case to the extent that any such Damages that arise out of or are based upon an untrue statement or omission made in any Preliminary Prospectus, the Registration Statement, the ADS Registration Statement or the Prospectus or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein. Notwithstanding the foregoing, in no event shall any Selling Shareholder be liable or responsible for any amount in excess of the gross proceeds applicable to the Shares sold by such Selling Shareholder pursuant to the transactions contemplated hereby.

(d) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the Covered Person and each Selling Shareholder against any Damages to which the Company, the Covered Person or such Selling Shareholder may become subject, under the Act or otherwise, insofar as such Damages that arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, the ADS Registration Statement or the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Prospectus, the Registration Statement, the ADS Registration Statement or the Prospectus or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company, the Covered Person and each Selling Shareholder for any legal or other expenses reasonably incurred by the Company, the Covered Person or such Selling Shareholder in connection with investigating or defending any such action or claim as such expenses are incurred.

(e) Promptly after receipt by an indemnified party under subsection (a), (b), (c) or (d) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (which shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such
subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (A) includes an unconditional release of such indemified party from all liability arising out of such action or claim and (B) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemified party.

(f) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemified party under subsection (a), (b), (c) or (d) above in respect of any Damages referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemified party as a result of such Damages in such proportion as is appropriate to reflect the relative benefits received by the Company, the Covered Person and the Selling Shareholders on the one hand and the Underwriters on the other from the offering of the ADSs. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemified party failed to give the notice required under subsection (e) above, then each indemnifying party shall contribute to such amount paid or payable by such indemified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company, the Covered Person and the Selling Shareholders on the one hand and the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company, the Covered Person and the Selling Shareholders on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the ADSs purchased under this Agreement (before deducting expenses) received by the Company, the Covered Person and the Selling Shareholders bear to the total underwriting discounts and commissions received by the Underwriters with respect to the ADSs purchased under this Agreement, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, the Covered Person or the Selling Shareholders on the one hand or the Underwriters on the other and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, the Covered Person, each of the Selling Shareholders and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (f) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (f). The amount paid or payable by an indemified party as a result of the Damages referred to above in this subsection (f) shall be deemed to include any legal or other expenses reasonably incurred by such indemified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (f), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the ADSs underwritten by it and distributed to the public
were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters’ obligations in this subsection (f) to contribute are several in proportion to their respective underwriting obligations and not joint.

(g) The obligations of the Company, the Covered Person and the Selling Shareholders under this Section 8 shall be in addition to any liability which the Company and the Covered Person and Selling Shareholders may otherwise have and shall extend, upon the same terms and conditions, to the respective affiliates of each Underwriter and to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 8 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Company) and any Selling Shareholder and to each person, if any, who controls the Company or any Selling Shareholder within the meaning of the Act.

9. (a) If any Underwriter shall default in its obligation to purchase the ADSs which it has agreed to purchase hereunder at a Time of Delivery, you may in your discretion arrange for you or another party or other parties to purchase such ADSs on the terms contained herein. If within thirty-six hours after such default by any Underwriter you do not arrange for the purchase of such ADSs, then the Company and the Selling Shareholders shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to you to purchase such ADSs on such terms. In the event that, within the respective prescribed periods, you notify the Company and the Selling Shareholders that you have so arranged for the purchase of such ADSs, or the Company and the Selling Shareholders notify you that they have so arranged for the purchase of such ADSs, you or the Company and the Selling Shareholders shall have the right to postpone such Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments to the Registration Statement or the Prospectus which in your opinion may thereby be made necessary. The term “Underwriter” as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such ADSs.

(b) If, after giving effect to any arrangements for the purchase of the ADSs of a defaulting Underwriter or Underwriters by you and the Company and the Selling Shareholders as provided in subsection (a) above, the aggregate number of such ADSs which remains unpurchased does not exceed one-eleventh of the aggregate number of all of the ADSs to be purchased at such Time of Delivery, then the Company and the Selling Shareholders shall have the right to require each non-defaulting Underwriter to purchase the number of ADSs which such Underwriter agreed to purchase hereunder at such Time of Delivery and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the number of ADSs which such Underwriter agreed to purchase hereunder) of the ADSs of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

56
(c) If, after giving effect to any arrangements for the purchase of the ADSs of a defaulting Underwriter or Underwriters by you or the Company and the Selling Shareholders as provided in subsection (a) above, the aggregate number of such ADSs which remains unpurchased exceeds one-eleventh of the aggregate number of all of the ADSs to be purchased at such Time of Delivery, or if the Company and the Selling Shareholders shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase ADSs of a defaulting Underwriter or Underwriters, then this Agreement (or, with respect to the Second Time of Delivery, the obligations of the Underwriters to purchase, and of the Company and the Selling Shareholders to sell, the Optional ADSs) shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company or the Selling Shareholders, except for the expenses to be borne by the Company and the Selling Shareholders and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 8 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

10. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, or any controlling person, and shall survive delivery of and payment for the ADSs.

11. If this Agreement shall be terminated pursuant to Section 9 hereof, neither the Company nor the Selling Shareholders shall then be under any liability to any Underwriter except as provided in Sections 6 and 8 hereof; but, if for any other reason any ADSs are not delivered by or on behalf of the Company and the Selling Shareholders as provided herein, the Company and each of the Selling Shareholders pro rata (based on the number of ADSs to be sold by the Company and such Selling Shareholder hereunder) will reimburse the Underwriters through you for all out-of-pocket expenses approved in writing by you, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the ADSs not so delivered, but the Company and the Selling Shareholders shall then be under no further liability to any Underwriter in respect of the ADSs not so delivered except as provided in Sections 6 and 8 hereof.

12. In all dealings hereunder, you shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by you jointly or by the Representatives as representatives of the several Underwriters.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the Representatives in care of (A) Goldman Sachs (Asia) L.L.C., 68th Floor, Cheung Kong Center, 2 Queen’s Road Central, Hong Kong, Attention: Special Execution Group; and (B) Credit Suisse First Boston LLC, Eleven Madison Avenue, New York, N.Y. 10010-3629, Attention: Transactions Advisory Group; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: Robin Yanhong Li; provided, however, that any notice to an Underwriter pursuant to Section 8 (c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters’ Questionnaire or telex constituting such Questionnaire, which address will be supplied to the Company by you upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.
13. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company, the Selling Shareholders and the Controlling Shareholders, as the case may be, and, to the extent provided in Sections 8 and 10 hereof, the officers and directors of the Company, the Selling Shareholders and the Controlling Shareholders, as the case may be, and each person who controls the Company, the Selling Shareholders and the Controlling Shareholders, as the case may be, or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the ADSs from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

14. Each of the parties hereto irrevocably (i) agrees that any legal suit, action or proceeding against the Company or the Selling Shareholders or the Controlling Shareholders brought by any Underwriter or by any person who controls any Underwriter arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in any New York court, (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding and (iii) submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Each of the Company, the Selling Shareholders and the Controlling Shareholders irrevocably waives any immunity to jurisdiction to which it may otherwise be entitled or become entitled (including sovereign immunity, immunity to pre-judgment attachment, post-judgment attachment and execution) in any legal suit, action or proceeding against it arising out of or based on this Agreement or the transactions contemplated hereby which is instituted in any New York Court or in any competent court in the Cayman Islands. Each of the Company, the Selling Shareholders listed on Schedule II hereto and the Controlling Shareholders has appointed CT Corporation System, New York, New York, as its authorized agent (the “Authorized Agent”) upon whom process may be served in any such action arising out of or based on this Agreement or the transactions contemplated hereby which may be instituted in any New York Court or any legal suit, action or proceeding against such Person may be brought. Each of the Company, the Selling Shareholders listed on Schedule II hereto and the Controlling Shareholders irrevocably consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. Such appointment shall be irrevocable. Each of the Company, the Selling Shareholders listed on Schedule II hereto and the Controlling Shareholders represents and warrants that the Authorized Agent has agreed to act as such agent for service at process and agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company, the Selling Shareholders listed on Schedule II hereto and the Controlling Shareholders shall be deemed, in every respect, effective service of process upon the Company, the Selling Shareholders listed on Schedule II hereto and the Controlling Shareholders.

15. In respect of any judgment or order given or made for any amount due hereunder that is expressed and paid in a currency (the “judgment currency”) other than United States dollars, the Company, the Selling Shareholders and the Controlling Shareholders as the case may be, will indemnify each Underwriter against any loss incurred by such Underwriter as a result of any variation as between (i) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (ii) the rate of exchange at which an Underwriter is able to purchase United States dollars with the amount of the judgment currency actually received by such Underwriter. The foregoing indemnity shall constitute a separate and independent obligation of the Company, the Selling Shareholders and the Controlling Shareholders, as the case may be, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into United States dollars.
16. Time shall be of the essence of this Agreement. As used herein, the term “business day” shall mean any day when the Commission’s office in Washington, D.C. is open for business. The Company acknowledges and agrees that (i) the purchase and sale of the Shares pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith each Underwriter is acting as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

18. The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

19. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

20. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

21. Notwithstanding anything herein to the contrary, the Company is authorized to disclose to any person the U.S. federal and state income tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Company relating to that treatment and structure, without the Underwriters imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, “tax structure” is limited to any facts that may be relevant to that treatment.

If the foregoing is in accordance with your understanding, please sign and return to us five counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement among each of the Underwriters, the Company, each of the Selling Shareholders and the Controlling Shareholders. It is understood that your acceptance of this letter on behalf of each of the Underwriters is pursuant to the authority set forth in a form of Agreement among Underwriters, the form of which shall be submitted to the Company, the Selling Shareholders and the Controlling Shareholders for examination upon request, but without warranty on your part as to the authority of the signers thereof.
Very truly yours,

Re: Baidu.com, Inc. – Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that you, as representatives (the “Representatives”), propose to enter into an Underwriting Agreement on behalf of the several Underwriters named in Schedule I to such agreement (collectively, the “Underwriters”) with Baidu.com, Inc., a company incorporated in the Cayman Islands (the “Company”), providing for a public offering (the “Offering”) of the American Depositary Shares of the Company (the “ADSs”) representing ordinary shares at par value US$0.00005 per share (the “Ordinary Shares”) of the Company pursuant to a Registration Statement on Form F-1 to be filed with the United States Securities and Exchange Commission (the “SEC”).

In consideration of the agreement by the Underwriters to offer and sell the ADSs, and of other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during a period of 180 days from the date of the final Prospectus covering the public offering of the ADSs (the “Lock-Up Period”), the undersigned will not (i) offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of, directly or indirectly, or cause the Company to file with the SEC a registration statement under the Securities Act of 1933 relating to, any shares of Ordinary Shares or ADSs, or any securities of the Company that are substantially similar to the Ordinary Shares or ADSs, including but not limited to any securities that are convertible into or exchangeable or exercisable for, or that represent the right to receive, any shares of Ordinary Shares or ADSs, owned directly by the undersigned (including holding as custodian) immediately after the completion of the Offering or thereafter acquired by the undersigned, or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the “Undersigned’s Shares”), (ii) enter into a transaction that would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such Undersigned’s Shares, whether any of these transactions are to be settled by delivery of such Undersigned’s Shares or other securities, in cash or otherwise, or (iii) publicly disclose the intention to make any offer,
sale, pledge, disposition or filing, without the prior written consent of the Representatives. However, in the event that either (x) during the last 17 days of the Lock-Up Period the Company issues earnings results or material news or a material event relating to the Company occurs; or (y) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Lock-Up Period, the restrictions imposed by this Lock-Up Agreement shall be extended until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of the material news or event, as applicable, unless the Representatives waive, in writing, such an extension.

Notwithstanding the foregoing, the undersigned may transfer the Undersigned’s Shares (i) as a bona fide gift or gifts to a charitable organization, provided that the donee or donees thereof agree to be bound in writing by the restrictions set forth herein, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein as if the undersigned continued to own the Undersigned Shares as transferred, and provided further that any such transfer shall not involve a disposition for value, (iii) to any immediate family member of the undersigned, provided that the immediate family member of the undersigned agrees to be bound in writing by the restrictions set forth herein as if the undersigned continued to own the Undersigned Shares as transferred, and provided further that any such transfer shall not involve a disposition for value, or (iv) with the prior written consent of the Representatives. For purposes of this Lock-Up Agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. In addition, notwithstanding the foregoing, if the undersigned is a corporation, the corporation may transfer the capital stock of the Company to any wholly owned subsidiary of such corporation; provided, however, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such capital stock subject to the provisions of this Lock-Up Agreement and there shall be no further transfer of such capital stock except in accordance with this Lock-Up Agreement, and provided further that any such transfer shall not involve a disposition for value. The undersigned now has, and, except as contemplated by clause (i), (ii), (iii), or (iv) above of this paragraph, for the duration of this Lock-Up Agreement will have, good and marketable title to the Undersigned’s Shares, free and clear of all liens, encumbrances, and claims whatsoever. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company’s transfer agent and registrar against the transfer of the Undersigned’s Shares except in compliance with the foregoing restrictions.
The undersigned understands that the Underwriters are relying upon this Lock-Up Agreement in proceeding toward consummation of the offering. The undersigned further understands that this Lock-Up Agreement is irrevocable and shall be binding upon the undersigned’s heirs, legal representatives, successors, and assigns.

Very truly yours,

In consideration of the agreement by the Underwriters to offer and sell the ADSs, and of other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during a period of 180 days from the date of the final Prospectus covering the public offering of the ADSs (the “Initial Lock-Up Period”), the undersigned will not (i) offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of, directly or indirectly, or cause the Company to file with the SEC a registration statement under the Securities Act of 1933 relating to, any shares of Ordinary Shares or ADSs, or any securities of the Company that are substantially similar to the Ordinary Shares or ADSs, including but not limited to any securities that are convertible into or exchangeable or exercisable for, or that represent the right to receive, any shares of Ordinary Shares or ADSs, owned directly by the undersigned (including holding as custodian) immediately after the completion of the Offering or thereafter acquired by the undersigned, or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the “Undersigned’s Shares”), (ii) enter into a transaction that would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such Undersigned’s Shares, whether any of these transactions are to be settled by delivery of such Undersigned’s Shares or other securities, in cash or otherwise, or (iii) publicly disclose the intention to make any offer, sale, pledge, disposition or filing, without the prior written consent of the Representatives.
The undersigned further agrees to be subject to certain restrictions for an additional 540-day period commencing on the date of the expiration of the Initial Lock-Up Period (the “Extended Lock-Up Period”). Commencing on the date of the expiration of the Initial Lock-Up Period and at the beginning of each 180-day period thereafter (each a “180-Day Period”) until the expiration of the Extended Lock-Up Period, 25% of the Undersigned Shares held immediately after the completion of the Offering (the “Released Shares”) will be released from the restrictions set forth in clauses (i), (ii) and (iii) of the above paragraph. Each of the Initial Lock-Up Period and a 180-Day Period is referred to as a “Lock-Up Period.”

Notwithstanding the foregoing, in the event that either (x) during the last 17 days of the relevant Lock-Up Period the Company issues earnings results or material news or a material event relating to the Company occurs; or (y) prior to the expiration of the relevant Lock-Up Period the Company announces that it will release earnings results during the 16-day period beginning on the last day of the relevant Lock-Up Period, the Released Shares for that Lock-Up Period will be subject to the restrictions set forth in clauses (i), (ii) and (iii) of the above paragraph for a 18-day period beginning on the date of the release of the earnings results or the occurrence of the material news or event, as applicable, unless the Representatives waive, in writing, such an extension. For the avoidance of doubt, the Extended Lock-Up Period shall not exceed a total of 558 days (i.e., the 540-day period of the Extended Lock-Up Period plus the 18-day restricted period discussed above with respect to the final Lock-Up Period, if applicable).

The 25% limit for each 180-Day Period is cumulative, such that if the undersigned does not sell or transfer the 25% Released Shares from a previous 180-Day Period, any unsold or non-transferred Released Shares will roll over and may be sold or transferred at any time in the future, together with all other accumulated Released Shares from previous periods. The undersigned agrees that all transfers or sales of Released Shares will be conducted in accordance with applicable securities laws. For purposes of determining the Undersigned Shares, share ownership includes (i) the number of shares owned directly by the undersigned (including holding as custodian) or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC and (ii) the number of shares issuable upon the assumed exercise of all options held by the undersigned immediately after the completion of the Offering.

Notwithstanding the foregoing, the undersigned may transfer the Undersigned’s Shares (i) as a bona fide gift or gifts to a charitable organization, provided that the donee or donees thereof agree to be bound in writing by the restrictions set forth herein, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein as if the undersigned continued to own the Undersigned Shares as transferred, and provided further that any such transfer shall not involve a disposition for value, (iii) to any immediate family member of the undersigned, provided that the immediate family member of the undersigned agrees to be bound in writing by the restrictions set forth herein as if the undersigned continued to own the Undersigned Shares as transferred, and provided further that any such transfer shall not involve a disposition for value, or (iv) with the prior written consent of the Representatives. For purposes of this Lock-Up Agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. In addition, notwithstanding the foregoing, if the undersigned is a corporation, the corporation may transfer the capital stock of the Company to any wholly owned subsidiary of such corporation; provided, however, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such capital stock subject to the provisions of this Lock-Up Agreement.
Agreement and there shall be no further transfer of such capital stock except in accordance with this Lock-Up Agreement, and provided further that any such transfer shall not involve a disposition for value. The undersigned now has, and, except as contemplated by clause (i), (ii), (iii), or (iv) above of this paragraph, for the duration of this Lock-Up Agreement will have, good and marketable title to the Undersigned’s Shares, free and clear of all liens, encumbrances, and claims whatsoever. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company’s transfer agent and registrar against the transfer of the Undersigned’s Shares except in compliance with the foregoing restrictions.
The undersigned understands that the Underwriters are relying upon this Lock-Up Agreement in proceeding toward consummation of the offering. The undersigned further understands that this Lock-Up Agreement is irrevocable and shall be binding upon the undersigned’s heirs, legal representatives, successors, and assigns.

The facts, as we understand them, and upon which with your permission we rely in rendering the opinion herein, are set forth in the F-1 Registration Statement.

In our capacity as counsel to the Company, we have made such legal and factual examinations and inquiries, including an examination of originals or copies certified or otherwise identified to our satisfaction of such documents, corporate records and other instruments as we have deemed necessary or appropriate for purposes of this opinion. In our examination, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures thereon, the legal capacity of natural persons executing such documents and the conformity to authentic original documents of all documents submitted to us as copies. For the purpose of our opinion, we have not made an independent investigation, or audit of the facts set forth in the above-referenced documents.
We are opining herein as to the effect on the subject transaction only of the federal income tax laws of the United States and we express no opinion with respect to the applicability thereto, or the effect thereon, of other federal laws, the laws of any state or any other jurisdiction or as to any matters of municipal law or the laws of any other local agencies within any state.

Based on such facts and subject to the limitations set forth in the F-1 Registration Statement, the statements of law or legal conclusions in the F-1 Registration Statement under the caption “Taxation—U.S. Federal Income Taxation” constitute the opinion of Latham & Watkins LLP as to the material U.S. federal income tax consequences of an investment in the ADSs or ordinary shares offered pursuant to the F-1 Registration Statement.

No opinion is expressed as to any matter not discussed herein.

This opinion is rendered to you as of the date of this letter, and we undertake no obligation to update this opinion subsequent to the date hereof. This opinion is based on various statutory provisions, regulations promulgated thereunder and interpretations thereof by the Internal Revenue Service and the courts having jurisdiction over such matters, all of which are subject to change either prospectively or retroactively. Also, any variation or difference in the facts from those set forth in the F-1 Registration Statement may affect the conclusions stated herein.

This opinion is furnished to you, and is only for your use in connection with the transactions set forth in the F-1 Registration Statement. We hereby consent to the filing of this opinion as an exhibit to the F-1 Registration Statement and to the use of our name under the caption “Legal Matters” in the prospectus included in the F-1 Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act, or the rules or regulations of the Commission promulgated thereunder.
